Earnings Claim Statement Required By Law: We GUARANTEE you will earn a total of \$5 for every set of envelopes you secure, process, and mail back to us according to our directions in the Start-Up Kit.....even if the customer doesn't buy anything! These are leads and we know that paying \$5 per lead works out very nicely for us. We cannot guarantee how many sets of envelopes you will secure, process, and mail each week as that is dependent upon your effort, ambition, and work ethic. Most people probably understand this and appreciate our GUARANTEE and honesty.
